Section 1. The Company has presented to the Agency, among other things:

- (A) An Application in form acceptable to the Agency; and
- (B) Detailed information relating to project costs compared to benefits to the community.

Section 2. Based upon the representations made by the Company to the Agency, and the related documents, the Agency hereby determines that the Project is a Type II Action under SEQR.

Section 3. The Agency has determined that the proposed financial assistance does not exceed the sum of \$100,000.00 and therefore the proposed action is not subject to a public hearing.

Section 4. Based upon representations made by the Company to the Agency, the Agency hereby makes, finds and determines as follows:

- (A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;
- (B) It is desirable and in the public interest for the Agency to appoint the Company as its agent for purposes of reconstructing, renovating, rehabilitating, installing and equipping the Project;
- (C) The Agency has the authority to take the actions contemplated therein under the Act; and
- (D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in the County and otherwise furthering the purposes of the Agency as set forth in the Act.

Section 5.

Subject to the Company executing an Agent and Project Agreement in form and substance approved by the Chief Executive Officer, the Agency hereby authorizes the Company to proceed with the reconstruction, renovating, rehabilitation, installation and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to reconstruct, renovate, rehabilitate, install and equip the Project on behalf of the Agency; with the authority to delegate its status as agent of the Agency to the Company's agents, subagents, contractors, subcontractors, suppliers, vendors and other such parties as the Company may choose. The appointment described above includes the following activities as they relate to the reconstruction, renovation, rehabilitation, installation and equipping of the Project, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Project; (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the reconstruction, renovation, rehabilitation, installation and equipping of the Project; (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with the reconstruction, renovation, rehabilitation, installation and equipping of the Project; and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Project, including all repairs and replacements of such property. This agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Project, all with the same powers and with the same validity as the Agency could do if acting on its own behalf.

Section 6.

Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$1,100,000, which result in New York State and local sales and use tax exemption benefits ("Sales and Use Tax Exemption Benefits") not to exceed \$88,000. The Agency agrees to consider any requests by the Company

for increase to the amount of Sales and Use Tax Exemption Benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 7.

Pursuant to Section 875(3) of the New York General Municipal Law, the Agency may recover or recapture from the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, any Sales and Use Tax Exemption Benefits taken or purported to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, if it is determined that: (i) the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, is not entitled to the Sales and Use Tax Exemption Benefits; (ii) the Sales and Use Tax Exemption Benefits are in excess of the amounts authorized to be taken by the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project; (iii) the Sales and Use Tax Exemption Benefits are for property or services not authorized by the Agency as part of the Project; or (iv) the Sales and Use Tax Exemption Benefits are taken in cases where the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, fails to comply with a material term or condition to use property or services in the manner approved by the Agency in connection with the Project. As a condition precedent of receiving Sales and Use Tax Exemption Benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 8.

The Agent Appointment Documents which were negotiated by the Chief Executive Officer, are hereby approved as to form and substance on condition that the Company pay all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project.

Section 9.

The Chairman, Executive Director or Chief Executive Officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agent Appointment Documents in the form presented at this meeting all with such changes, variations, omissions and insertions as the Chairman, Executive Director or Chief Executive Officer of the Agency shall approve, the execution thereof by the Chairman, Executive Director or Chief Executive Officer of the Agency to constitute conclusive evidence of such approval.

all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of this resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
