The Project is a Unlisted Action under the SEQR. Based upon the review by the Agency of the EAF and the representations made by the Company to the Agency in connection with the Project, the Agency hereby finds that (i) the Project will result in no major impacts and therefore, is one which may not cause significant damage to the environment; (ii) the Project will not have a “significant effect on the environment” as such quoted term is defined in Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation of the State; and (iii) no “environmental impact statement” as such quoted term is defined in SEQR need be prepared for this action. This determination constitutes a negative declaration for purposes of SEQR. The Agency’s findings are incorporated in the EAF.

Section 3. The Agency has determined that the proposed financial assistance will not exceed the sum of \$100,000.00 and therefore no public hearing on the Project is required.

Section 4. Based upon representations made by the Company to the Agency, the Agency hereby makes, finds and determines as follows:

- (A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;
- (B) It is desirable and in the public interest for the Agency to (i) take a leasehold interest in the Land and to take title to improvements and personal property constituting the Project; and (ii) appoint the Company as its agent for purposes of constructing, reconstructing, renovating, installing and equipping the Project; and
- (C) The Agency has the authority to take the actions contemplated therein under the Act; and
- (D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in Sullivan County and otherwise furthering the purposes of the Agency as set forth in the Act.

Section 5. Subject to the Company executing an Agent and Project Agreement in form and substance approved by the Executive Director, the Agency hereby authorizes the

Company to proceed with the construction, reconstruction, renovation, rehabilitation, installation and equipping of the Project and hereby appoints the Company as the true and lawful agent of the Agency to construct, reconstruct, renovate, rehabilitate, install and equip the Project on behalf of the Agency; with the authority to delegate its status as agent of the Agency to the Company's agents, subagents, contractors, subcontractors, suppliers, vendors and other such parties as the Company may choose. This agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Project, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. The aforesaid appointment of the Company as agent of the Agency to construct, reconstruct, renovate, rehabilitate, install and equip the Project shall expire on November 1, 2022 if the Transaction Documents have not been executed and delivered.

Section 6. Based upon the representation and warranties made by the Company in its application for financial assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$150,000, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$12,000. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

Section 8. The Transaction Documents which were negotiated by the Executive Director, are hereby approved as to form and substance on condition that: (i) the payments under the Leaseback include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Uniform Tax Exemption Policy or the procedures for deviation have been complied with.

Section 9. The Chairman or Executive Director of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Transaction Documents in the form presented at this meeting all with such changes, variations, omissions and insertions as the Chairman or Executive Director of the Agency shall approve, the execution thereof by the Chairman or Executive Director of the Agency to constitute conclusive evidence of such approval.
