WHEREAS, the Agency and the Company deem it necessary and proper to execute and deliver this First Amended PILOT Agreement making provision for payments in lieu of taxes by the Company for the benefit of the County, Town and the Monticello Central School District (“School”) (collectively, the County, the Town and the School are referred to as the “Taxing Jurisdictions”); and

WHEREAS, all agreements of the Agency and the Company relating to payments in lieu of taxes for the Land shall be governed by this First Amended PILOT Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual terms, conditions, limitations and agreements set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, it is mutually agreed as follows:

1. Article I, Payment In Lieu of Ad Valorem Taxes, is hereby deleted in its entirety and the following Article I is inserted in its place and stead:

“1.1 Exemption From General Ad Valorem Property Taxes. Pursuant to the PILOT Agreement, the Project has been exempt from Real Estate Taxes commencing with the July 1, 2016 School year and the January 1, 2017 County and Town tax year. For the purposes of the foregoing, "Real Estate Taxes" mean all general ad valorem real property taxes levied against the Project by the Taxing Jurisdictions. The Company previously provided the Agency the information necessary for the completion and filing of an exemption application relating to this First Amended PILOT Agreement (“Exemption Application”); the Agency filed the Exemption Application; and the exemption was granted by the Assessor of the Town. Notwithstanding anything contained herein or in the Lease Agreement and the Leaseback Agreement to the contrary, in the event the exemption from Real Estate Taxes is denied for any reason, the Company shall pay (and hereby agrees to pay, subject to the Company's right to challenge the underlying assessments on the Project pursuant to ¶6 hereof) all Real Estate Taxes levied upon the Project as they become due. After giving written notice to the Agency, the Company may in good faith contest the denial of the Exemption Application, provided that (i) the Project continues to qualify as a "project" under the Act; (ii) neither the Project nor any part of or interest in it would be in any danger of being sold, forfeited or lost; or (iii) neither the Company nor the Agency, as a result of such contest, shall be in any danger of any civil or criminal liability. The Company hereby waives any claim or cause of action against the Agency, and releases the

Agency from any liability to the Company, arising from the denial of an exemption from Real Estate Taxes, except to the extent that such denial results solely from the failure of the Agency to timely file the Exemption Application with the appropriate assessors or Boards of Assessment Review by the Taxable Status Date.

- 1.2 Agreement to make payments in lieu of taxes. As long as the Agency holds a leasehold interest in the Project, the Company agrees to pay to the Agency at 548 Broadway, Monticello, New York 12701, or at such other address as shall be designated from time to time by the Agency, annual payments in lieu of taxes (each, a "PILOT Payment") computed in accordance with this First Amended PILOT Agreement.

Subject Premises. PILOT Payments shall be made on account of the following premises located in the Town:

Section, Block and Lot
15.-1-15

- 1.3. Computation of PILOT Payments.

- (a) For the PILOT Payment dates February 1, 2017 and February 1, 2018, the Company previously made a PILOT Payment to the Agency based on a TVSP of \$3,285,000.
- (b) For the PILOT Payment dates February 1, 2019, February 1, 2020; February 1, 2021 and February 1, 2022, the Company previously made PILOT Payments to the Agency based on a TVSP of \$4,800,000.
- (c) For subsequent PILOT Payment dates until the first PILOT Payment due date following completion of the Project and for the eight (8) PILOT Payment due dates following completion of the Project, the Company shall make a PILOT Payment to the Agency based on a TVSP of \$4,800,000.
- (d) Calculation of Annual Payment in Lieu of Tax. The calculation of the annual PILOT Payments for the PILOT Payment dates included in (c) above shall be made as follows:
- (i) The TVSP of \$4,800,000 shall be multiplied by the equalization rate as defined in ¶1.3(g) hereof; and
- (ii) The annual PILOT Payment shall be determined by multiplying the amount derived in ¶1.3(d)(i) hereof by the tax rates identified in ¶1.3(h).

- (e) For the ensuing eight (8) PILOT Payment dates starting with the PILOT Payment due date following the PILOT Payment dates governed by Section 1.3(c), the TVSP shall be the following amounts for the following years:

<u>Payment Date</u>	<u>TVSP</u>
Completion date + 9	{[Assessed Value — (\$4,800,000 x Eq rate)] x 12.50%} + (\$4,800,000 x Eq rate)
Completion date + 10	{[Assessed Value — (\$4,800,000 x Eq rate)] x 25.00%} + (\$4,800,000 x Eq rate)
Completion date + 11	{[Assessed Value — (\$4,800,000 x Eq rate)] x 37.50%} + (\$4,800,000 x Eq rate)
Completion date + 12	{[Assessed Value — (\$4,800,000 x Eq rate)] x 50.00%} + (\$4,800,000 x Eq rate)
Completion date + 13	{[Assessed Value — (\$4,800,000 x Eq rate)] x 62.50%} + (\$4,800,000 x Eq rate)
Completion date + 14	{[Assessed Value — (\$4,800,000 x Eq rate)] x 75.00%} + (\$4,800,000 x Eq rate)
Completion date + 15	{[Assessed Value — (\$4,800,000 x Eq rate)] x 87.50%} + (\$4,800,000 x Eq rate)
Completion date + 16	{[Assessed Value — (\$4,800,000 x Eq rate)] x 100.00%} + (\$4,800,000 x Eq rate)

The Assessed Value shall be that value determined by the Town Assessor, and set on the final assessment roll of the Town.

- (f) Calculation of Annual PILOT Payment. The calculation of the annual PILOT Payments for the PILOT Payment dates included in 1.3(e) above shall be made by multiplying the TVSP calculated in ¶ 1.3(e) by the tax rates identified in ¶ 1.3(h).
- (g) Equalization Rate. The equalization rate to be used in making the computation contemplated by 1.3(d)(i) and 1.3(e) hereof shall mean the equalization rate for the Town used by the County to allocate and levy County taxes in connection with the January 1st tax roll immediately preceding the due date of the PILOT Payment. In the event that the equalization rate shall exceed one hundred (100%) percent, the equalization rate used in making the computation contemplated by 1.3(d)(i) and 1.3(e) shall be one hundred (100%) percent.
- (h) Tax Rates. For the purposes of determining the amount of the PILOT Payments as contemplated by 1.3(d)(ii) and 1.3(f) hereof, the tax rates for each Taxing Jurisdiction shall mean the last tax rate used before the Taxable Status Date for levy of taxes by each such jurisdiction. For County and Town purposes, the tax rates used to determine the PILOT Payment shall be the tax rates relating to the calendar year which includes the PILOT Payment due date. For school tax purposes, the tax rates used to determine the PILOT Payment shall be the rate relating to the school tax year which began in the calendar year immediately preceding the year in which the PILOT Payment is due.

The chart which follows set forth the anticipated years of the overall period for PILOT Payments assuming the Project is completed in 2023; the date that a PILOT Payment is due; and the appropriate tax periods utilized in determining the tax rates for computing the PILOT Payment.

- 1.4 Other Agreements Relating to PILOT Payments. The Agency shall remit to the Taxing Jurisdictions amounts received hereunder within thirty (30) days of receipt and shall allocate the PILOT Payments among the Taxing Jurisdictions in the same proportion as normal taxes would have been allocated but for the Agency's involvement.

The PILOT Payments provided for herein commenced on February 1, 2017. In no event shall the Company be entitled to receive tax benefits relative to the Project for more than the period provided in this Agreement. The Company agrees that it will not seek any tax exemption for the Project which could provide benefits for more than the periods provided for in this First Amended PILOT Agreement and specifically agrees that the exemptions provided for in this First Amended PILOT Agreement, to the extent actually received (based upon the number of years elapsed), supersede and are in substitution of the exemptions provided by §485b of the Real Property Tax Law ("RPTL"). It is hereby agreed and understood that the Taxing Jurisdictions can rely upon and enforce this waiver to the same extent as if it were signatories hereto.

- 1.5. Determination of TVSP. The Agency and the Company have agreed upon the TVSP of the Project. Such valuation was made without regard to the actual cost of construction of improvements to be made at the Project. Such valuation shall not increase or decrease due to the modification of the golf project plan as described in the 2022 Letter Application. Such valuation shall not be increased or decreased if the Project or any related work on or improvements are completed in substantial conformity with the plans and specifications as modified by the 2022 Letter Application. If there is a substantial change relating to the Project or any related work or improvements during the construction phase, the Agency may redetermine the improvement value of the Project.

- 1.6. Termination of Use; Modification. If the substantial use of the Project shall be discontinued by the Company, the TVSP may be modified. It is understood that the benefits of this Agreement have been extended to the Company on the grounds set forth in various related agreements between the parties; that new jobs at the Project will be an economic asset to the County's economy; that the creating of new jobs in the County is considered beneficial to the well-being of the County as of the date of this Agreement and for the foreseeable future; and that the discontinuance of the substantial use of the Project by the Company would alter the purpose for which this Agreement was made. In such event, the Agency may give notice to the Company that modification is required. If the parties cannot agree on the basis of modification the Agency may increase the TVSP to an amount not exceeding the assessed value of the Project as determined by the Town Assessor.”
