The following resolution was duly offered by Carol Roig, and seconded by Ira Steingart, to wit:

Resolution No. 18- 24

RESOLUTION OF THE AGENCY AMENDING THE PAYMENT IN LIEU OF TAXATION AGREEMENT (“PILOT AGREEMENT”) BETWEEN THE AGENCY AND ROSEMOND SOLAR, LLC (“COMPANY”) FOR THE PROJECT (HEREINAFTER DEFINED)

WHEREAS, the Agency was created by Chapter 560 of the Laws of 1970 of the State of New York, as amended pursuant to Title I of Article 18-A of the General Municipal Law of the State of New York (collectively, the "Act") as a body corporate and politic and as a public benefit corporation of the State of New York; and

WHEREAS, in 2014 Governor Andrew M. Cuomo launched Reforming the Energy Vision (“REV”), New York State’s energy policy and plan, which is intended to encourage renewable energy development that will spur economic growth and develop new clean energy business models; and

WHEREAS, the New York Community Distributed Generation (“CDG”) program was approved and enacted by the Public Service Commission in 2015, as part of and in support of the REV initiative; and

WHEREAS, a CDG facility is a commercial scale electricity generator to which residential and business customers can subscribe to receive credits from the electricity generated at the facility without the need to install or maintain equipment at the business or residential location; and

WHEREAS, Section 487 of the New York State Real Property Tax Law (“NYS RPTL”) provides a fifteen-year exemption on real property taxes for all CDG systems in the State, unless the local taxing jurisdiction opts out; and

WHEREAS, Section 487 allows participating jurisdictions to negotiate Payments in Lieu of Taxation Agreements, the purpose of which is to reduce the tax burden and tax rate uncertainty for developers while preserving some of the foregone revenue that would have been paid in real property taxes to the taxing jurisdictions; and

WHEREAS, at the request of the County of Sullivan and various municipalities, in 2016 the Agency adopted its Community Distributed Generation Uniform Tax Exemption Policy (“CDG UTEP”), to provide a uniform system for assessing and collecting PILOTs from CDG projects throughout the County; and

WHEREAS, on or about February 14, 2020, the Company presented an application to the Agency (“Application”), a copy of which is on file at the office of the Agency, requesting that the Agency consider undertaking a project consisting of the construction of an approximately 2MW solar photovoltaic electricity generating facility that will be interconnected to the New York State Electric and Gas (“NYSEG”) electrical grid (“Project”) whereby NYSEG customers in NYSEG Load Zone E that are part of the Company’s Community Solar Program will receive such electricity at a discounted price to the then current NYSEG price. The Project is new construction and will be comprised of (a) racking to mount the solar modules (such racking generally to be pile driven into the ground); (b) solar modules; (c) inverters and transformers to sit on a concrete inverter pad and (d) assorted electrical components and wiring. The solar array will be constructed on one (1) parcel of real estate consisting of approximately 50.1± acres located at 191 Rosemond Road, Town of Fallsburg (“Town”), County of Sullivan (“County”), State and identified on the Town tax map as Section 30, Block 1, Lot 9.4 (“Land”); and

WHEREAS, on March 9, 2020 by duly adopted Resolution 11-20 (“Resolution”), the Agency authorized the Company to act as its agent for the purposes of constructing the Project and conferred on the Company certain financial assistance consisting of: (a) an exemption from all State and local sales and use tax for the purchases and rentals related to the Project with respect to the qualifying personal property included in or incorporated into the Project or used in the

construction of the Project, (b) an exemption from mortgage recording tax, and (c) a partial abatement from real property taxes for a period of five (5) years following the statutory exemption from real property taxes under Real Property Tax Law Section 487, which exemption shall be conferred through a certain payment in lieu of tax agreement requiring the Company to make payments for the benefit of each municipality and school district having taxing jurisdiction over the Project, (collectively, the sales and use tax exemption, the mortgage recording tax exemption, and the partial abatement from real property taxes, are hereinafter collectively referred to as the “Financial Assistance”); and

WHEREAS, as relevant here, on or about June 1, 2020, the Agency and the Company entered into the following documents:

- (i) Agent and Project Agreement (“Agent Agreement”); and
- (ii) Environmental Compliance and Indemnification Agreement (“ECIA”);
- (iii) Lease to Agency and memorandum thereto (collectively, “Lease Agreement”);
- (iv) Leaseback to Company and memorandum thereto (collectively, “Leaseback Agreement”); and
- (v) Payment in Lieu of Taxation Agreement (“Original PILOT Agreement”), which was superseded by an Amended and Restated Payment in Lieu of Taxation Agreement made as of September 15, 2020 (“A&R PILOT” and together with the Original PILOT Agreement, the “PILOT Agreement”); and

WHEREAS, as relevant here, on or about June 15, 2020, the Agency and the Company entered into the following documents:

- (vi) Bill of Sale to Agency (“Bill of Sale to Agency”); and
- (vii) Bill of Sale to Company (“Bill of Sale to Company” together with Bill of Sale to Agency, “Bills of Sale”);

The documents listed in (i) through (vii) above are collectively referred to as the “Project Documents”; and

WHEREAS, in or about February 2021, the Land upon which the subject solar array was to be constructed was subdivided into two (2) parcels, and the solar array was constructed on approximately 23.5± acres of real estate on a newly created 44.862 parcel on the Land, which newly created parcel is identified as Town of Fallsburg, County of Sullivan, Town tax map Section 30, Block 1, Lot 9.8; and

WHEREAS, the Project has been completed and placed in service; and

WHEREAS, in accordance with the PILOT Agreement, the Company has made annual PILOT Payments for PILOT Years 1 through 3 (2022 through 2024); and

WHEREAS, across New York State, the assessed values of CDG systems have varied widely, resulting in uneven tax burdens on CDG developers and uneven revenues for taxing jurisdictions; and

WHEREAS, in response to the variations in assessments to CDG systems, in 2021 the New York State Legislature adopted Section 575-b of the NYS RPTL, which sets forth a method for determining the assessed value of solar or wind systems, including CDG systems, and requires all assessors to use a discounted cash flow appraisal model (the “Model”) published by the New York State Department of Taxation and Finance (“NYSDTF”) for assessing such systems; and

WHEREAS, the Model was challenged because NYSDTF did not follow the State Administrative Procedure Act (“SAPA”) process, resulting in a delay in implementation of the Model; and

WHEREAS, Part N of the 2024 New York State budget legislation, signed by Governor Kathy Hochul on May 3, 2023, amends Section 575-b of the NYS RPTL so the Model is not subject to SAPA, and amends SAPA to exempt the Model and other appraisal models and discount rates from the requirements of SAPA; and

WHEREAS, under the Model, which now governs, the assessed values of some CDG systems are generally much lower than the assessed values contemplated at the time of PILOT execution; and

WHEREAS, in these instances, the theoretical taxes paid by CDG systems would be far lower than the PILOT Payments to be made in accordance with the PILOT; and

WHEREAS, the Company and the Agency recognize that the PILOT Agreement as currently constructed places a financial burden on the Company that would not exist if the Agency and the Company terminated the PILOT Agreement, but also recognize that the PILOT Agreement provides stability and predictability for both the Company and the taxing jurisdictions; and

WHEREAS, on or about May 2, 2024, the Company requested an amendment to the PILOT Agreement to reduce each annual PILOT Payment by fifty (50%) percent of the difference between the PILOT Payment set forth in the PILOT Agreement and the theoretical taxes as calculated using the Model value of the solar energy improvements; and

WHEREAS, the Agency is willing to amend the PILOT Agreement as requested by the Company as set forth below:

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE AGENCY AS FOLLOWS:

Section 1. That Section 2 of the PILOT Agreement is hereby deleted in its entirety and replaced as follows:

“2. Agreement to Make Payments in Lieu of Taxes.

(a) RPTL §487 Exemption Period. The Company has made annual PILOT Payments for PILOT Years 1 through 3 (2022 through 2024) as provided in the PILOT Agreement prior to the amendment contemplated by this Resolution. During Years 4 through 15 (2025

through 2036) of the period the Solar Array is otherwise exempt from general ad valorem real property taxes under RPTL §487, the Company agrees to pay to the Agency at 548 Broadway, Monticello, New York 12701, or at such other address as shall be designated from time to time by the Agency (the “Agency’s Offices”), payments in lieu of tax (each a “PILOT Payment”) in the amount of Six Thousand Five Hundred Seventy-Two and 00/100 (\$6,572.00) Dollars per name plate MWac, which for this 2 MWac name plate Project is Thirteen Thousand One Hundred Forty-Four and 00/100 (\$13,144.00) Dollars;

For only the fifteen (15) year period during which time the Project is owned by the Company or an Affiliate of the Company and is exempt from general ad valorem real property taxes under Real Property Tax Law §487, the Company shall not and shall cause any of its Affiliates (as such term is defined below) not to enter into any agreement to make payments in lieu of tax, or agree to be subject to general ad valorem real property taxes payments, in each case in amounts greater than the PILOT Payments provided for herein for any other solar photovoltaic electricity generating facility located in Sullivan County and interconnected to the NYSEG electrical grid. For the purposes of this Section 2(a), the term "Affiliate" shall mean any entity which, directly or indirectly, is in control of, is controlled by, or is under common control with, the Company.

(b) RPTL §412-a Exemption Period. During any period the Land and Solar Array are exempt from taxation under §412-a of the RPTL and §874 of the Act, the Company agrees to pay the Agency at the Agency’s Offices a PILOT Payment equal to what the real estate taxes on the unimproved Land (without giving effect to any increase to the assessed value associated with the Project) would have been if the Agency was not involved with the Project PLUS Thirteen Thousand One Hundred Forty-Four and 00/100 (\$13,144.00) Dollars.

(c) The chart which follows sets forth the anticipated years of the overall twenty (20) year period for PILOT Payments under the Agency’s Community Distributed Generation Tax Abatement Policy; the date that a PILOT Payment is due; and the appropriate tax periods to which the PILOT Payment applies. These periods are based on the expectation that the Solar Array will be placed in service between March 1, 2020 and March 1, 2021. The “Years” set forth in the first column of the chart shall be adjusted so Year 1 is the February 1 after the date the Solar Array is placed in service.

20	February 1, 2041	July 1, 2040	January 1, 2041

(d) Other Agreements Relating to PILOT Payments. The Agency shall remit to the Taxing Jurisdictions PILOT Payments received hereunder within thirty (30) days of receipt and shall allocate the PILOT Payments among the Taxing Jurisdictions in the same proportion as normal real estate taxes would have been allocated but for the Agency's involvement.

The Company shall not be entitled to receive from the Agency or the Taxing Jurisdictions real property tax benefits relative to the Project for more than the period provided in this Agreement. The Company therefore agrees that it will not seek from the Agency or the Taxing Jurisdictions any such real property tax exemption for the Project which could provide benefits for more than the periods provided for in this Agreement.”

Section 2. The Chairperson or Executive Director of the Agency, each acting individually, is hereby authorized, on behalf of the Agency, to execute and deliver an Amendment to the PILOT Agreement in the form presented at this meeting with such changes, variations, omissions and insertions to the PILOT Agreement and as may be necessary, any of the Transaction Documents, as the Chairperson or Executive Director of the Agency shall approve in consultation with Special Transaction Counsel, the execution thereof by the Chairperson or Executive Director of the Agency to constitute conclusive evidence of such approval.

Section 3. The officers, employees and agents of the Agency are hereby authorized and directed in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay, and or collect from the Company, all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of this resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.

Section 4. It is hereby found and determined that all formal actions of the Agency concerning and relating to the adoption of this resolution were adopted in an open meeting of the Agency; and that all deliberations of the Agency and of any of its committees that resulted in such formal action were in meetings open to the public, in compliance with all legal requirements.

Section 5. The Executive Director or Special Transaction Counsel is hereby authorized and directed (i) to distribute copies of this resolution to the Company; and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 6. These Resolutions shall take effect immediately.

The question of adoption of the foregoing resolutions were duly put to a vote on roll call, which resulted as follows:
