Authority Mission Statement and Performance Measurements-- FY 2025

Name of Public Authority: County of Sullivan Industrial Development Agency

Public Authority's Mission Statement:

The County of Sullivan Industrial Development Agency (IDA) was created by an act of the New York State Legislature in 1970, as a public benefit corporation of the State of New York, under Section 906 of the General Municipal Law, to grant tax abatements and to help advance such projects.

Industrial development agencies were created in New York State to attract and enhance industrial and economic development, help create jobs and maintain economic stability within municipal or regional boundaries. Because New York's Constitution prohibits municipalities from making gifts or loans to private companies or individuals, the creation of IDAs provided a viable mechanism to accomplish commercial, recreational, and industrial development goals. Support of a healthy economy, the creation and retention of jobs, on a local, regional and State level is an important policy objective.

The County of Sullivan Industrial Development Agency's primary goal is to promote economic welfare, recreation opportunities, prevent unemployment and economic deterioration, ensure the prosperity of Sullivan County's inhabitants, and promote tourism and trade.
