- (B) an EAF.

Section 2. Based upon (i) the representations made by the Company to the Agency, and (ii) a review of the EAF presented to the Agency, the EAF reviewed and acted upon by the Town Planning Board, and (iii) related documents, the Agency hereby determines that:

- (A) The Project constitutes a Type I Action under the SEQR;

- (C) The Project will not have a “significant effect on the environment” as such quoted term is defined in Article 8 of the Environmental Conservation Law and Regulations adopted pursuant thereto by the Department of Environmental Conservation;
- (D) No “environmental impact statement” as such quoted term is defined in SEQR need be prepared for this action; and
- (E) This determination constitutes a negative declaration for purposes of SEQR.

A copy of this resolution shall together with the attachments thereto be placed on file in the office of the Agency where the same shall be available for public inspection during business hours, and notices of this negative declaration shall be filed in such offices, posted in such places, and published in such publications as shall be necessary to conform with the requirements of SEQR.

Section 3. The Agency has determined that the proposed Financial Assistance exceeds the sum of \$100,000.00 and, therefore, a public hearing on due notice was held on May 4, 2026, at 9:30 a.m., local time, in the Rockland Town Hall, 95 Main Street, Livingston Manor, New York 12758 at which hearing comments relating to the proposed financial assistance were solicited. Said public hearing was open to the general public and public notice of the time and place of said public hearing was duly given in accordance with the applicable provisions of the General Municipal Law of the State.

Section 4. Based upon representations made by the Company to the Agency, the Agency hereby makes, finds and determines as follows:

- (A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;
- (B) It is desirable and in the public interest for the Agency to (i) acquire a leasehold interest in the Land and improvements constituting the Project; (ii) appoint the Company as its agent for purposes of constructing the Project, and (iii) lease the Land and improvements constituting the Project to the Company pursuant to the Lease, subject to the Leaseback and the PILOT Agreement;
- (C) The Agency has the authority to take the actions contemplated therein under the Act; and
- (D) The action to be taken by the Agency will induce the Company to develop the Project, thereby increasing employment opportunities in the County and otherwise furthering the purposes of the Agency as set forth in the Act.

Section 5. Subject to the Company executing an Agent and Project Agreement in form and substance approved by the Executive Director, the Agency hereby authorizes the Company to proceed with the construction of the Project and hereby appoints the Company as the true and lawful agent of the Agency to construct the Project on behalf of the Agency; with the authority to delegate its status as agent of the Agency to the Company's agents, subagents, contractors, subcontractors, suppliers, vendors and other such parties as the Company may choose. The appointment described above includes the following activities as they relate to the construction of the Project, whether or not the materials, services or supplies described below are incorporated into or become an integral part of the Project; (i) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with the construction of the Project; (ii) all purchases, rentals, uses or consumption of supplies, materials and services of every kind and description in connection with

the construction of the Project; and (iii) all purchases, leases, rentals and uses of equipment, machinery, and other tangible personal property (including installation costs with respect thereto), installed or placed in, upon or under the Project, including all repairs and replacements of such property. This agency appointment includes the power to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions, as the stated agents for the Agency, and in general to do all things which may be requisite or proper for completing the Project, all with the same powers and with the same validity as the Agency could do if acting on its own behalf. The aforesaid appointment of the Company as agent of the Agency to construct the Project shall expire on June 30, 2027 if the Transaction Documents have not been executed and delivered.

Section 6. Based upon the representation and warranties made by the Company in its application for Financial Assistance, the Agency hereby authorizes and approves the Company, as its agent, to make purchases of goods and services relating to the Project and that would otherwise be subject to New York State and local sales and use tax in an amount up to \$4,000,000, which result in New York State and local sales and use tax exemption benefits ("sales and use tax exemption benefits") not to exceed \$320,000. The Agency agrees to consider any requests by the Company for increase to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

As a condition precedent of receiving sales and use tax exemption benefits, the Company, its agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project, must (i) cooperate with the Agency in its efforts to recover or recapture any sales and use tax exemption benefits, and (ii) promptly pay over any such amounts to the Agency that the Agency demands.

- Section 8. The Transaction Documents which were negotiated by the Executive Director are hereby approved as to form and substance on condition that: (i) the payments under the Leaseback include payments of all costs incurred by the Agency arising out of or related to the Project and indemnification of the Agency by the Company for actions taken by the Company and/or claims arising out of or related to the Project; and (ii) the terms of the PILOT Agreement are consistent with the Agency's Community Distributed Generation Uniform Tax Exemption Policy.
- Section 9. The Chairman or Executive Director of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Transaction Documents, all with such changes, variations, omissions and insertions as the Chairman or Executive Director of the Agency shall approve, the execution thereof by the Chairman or Executive Director of the Agency to constitute conclusive evidence of such approval.
- Section 10. The officers, employees and agents of the Agency are hereby authorized and directed in the name and on behalf of the Agency to do all acts and things required and to execute and deliver all such certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of this resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the documents executed for and on behalf of the Agency.
